

Edital Ref. AECED_UAb_BD-01

Anúncio para atribuição de 1 bolsa de Investigação para Doutoramento(a) no âmbito do Projeto Transforming Education for Democracy through Aesthetic and Embodied Learning, Responsive Pedagogies and Democracy-as-becoming (AECED)

There is an open call for applications for 1 research scholarship for a Doctorate in the project Transforming Education for Democracy through Aesthetic and Embodied Learning, Responsive Pedagogies and Democracy-as-becoming (AECED), funded by the HORIZON programme, under the following conditions:

- 1. Admission Requirements:** Candidates must unequivocally demonstrate: a) a PhD degree in Education or in Social Sciences; b) a good command of English and Portuguese (spoken and written). In addition to these requirements, and in accordance with FCT rules, only candidates whose research work leading to a PhD degree has not taken place at Universidade Aberta (BID's host institution) may be admitted.
- 2. Duration and Regime of Activity:** 31 months, starting on September 1, 2023. The activities will be developed at the Department of Education and Distance Education (DEED) of Universidade Aberta, located at Universidade Aberta, Rua Almirante Barroso, Lisbon, and part of the work may be developed at a distance and missions in schools in the areas of Greater Lisbon are included. The work will be provided on an exclusive basis, according to the regulations for advanced training of human resources of the Fundação para a Ciência e a Tecnologia (FCT) <https://www.fct.pt/financiamento/programas-de-financiamento/bolsas/>
- 3. Object of Activity:** Research activities in the field of Education.
- 4. Work plan:** General support and assistance to the Principal Investigator in the project management tasks; support in literature review made available to the project investigators; support in the organisation of the data collection work, focus groups and observation scripts collection; preparation of qualitative data for content analysis; assistance in data analysis work. Participation in the discussion of data; participation in the writing teams of scientific publications.
- 5. Scientific Guidance:** The work will take place under the guidance of Prof. Dr. Cláudia Susana Coelho Neves.
- 6. Academic Qualifications:** PhD in Education or in Social Human Sciences.
- 7. Preference Factors:** a) Previous experience in participating in research projects, namely in the area of Education; b) Relevance of peer-reviewed international publications in the area of Education; c) Availability for travel within the greater Lisbon area.

- 8. Evaluation Criteria:** The selection of candidates will be based on the following criteria, in descending order of importance: a) Previous experience as preference factors (60%); b) Academic and professional curriculum (40%).
- 9. Remuneration and legislation:** In accordance with the table of values for in-country scholarships awarded by the Foundation for Science and Technology, the monthly maintenance allowance of 1,741.00 euros plus personal accident insurance and the possibility of joining the Voluntary Social Insurance under the terms foreseen in the applicable legislation. The grant will be paid by bank transfer.
- 10. Composition of the Selection Board:** Chairman: Cláudia Susana Coelho Neves; Members: Ana Patrícia Tavares de Almeida, Marta Cristina Lopes Abelha and Pedro António da Silva Abrantes.
- 11. Application Documents:** Curriculum Vitae; copies of ID card/citizen card/passport; PhD certificate; other elements that the candidate may consider relevant. Applications with incomplete dossiers will be preliminarily excluded from the competition.
- 12.** Applications must indicate the reference "AECED_UAb_BD-01" and be submitted electronically between **25 June and 12 July 2023** (18h00, Lisbon time), to the following address: deed@uab.pt and send a copy to claudia.neves@uab.pt.
- 13.** Form of publication/notification of results: The results of the evaluation will be disseminated via email to the email address indicated in the application file.
- 14.** The deadlines for complaints and appeals will run from 20 July to 27 July 2023. It will be their procedure to send reasoned complaints, which the jury will consider and deliberate on the definitive list of the competition results.
- 15.** The model of the grant contract to be signed between the selected applicant and Universidade Aberta is the one provided by FCT, for these cases.
- 16.** The grant recipient will prepare annual reports in accordance with the general model that explains the work carried out and respective products. The Principal Investigator shall also produce a report on the work carried out by the grant recipient and make it available to the grant recipient and to FCT.
